OTTAWA RIVER SUMMER FREESTYLE CAMP 2012

In August 2012, Endless Summers and Riverplay.ca, Matt Cooke (UK) and Tyler Curtis (CA) are hosting yet another kayak freestyle camp on the Ottawa River in Canada. The camp will run for just over 10 days staying in a luxurious cabin on the riverbank overlooking the first major rapid on the river (McCoy's). This is an all-inclusive camp fully immersing you into the lifestyle of a professional freestyle kayaker.

At the end of the camp, each student will be given a portfolio of photos and a movie from the camp.
